Specialists in providing corporate and trustee services

Profile

BKS Corporate Services is a registered trade name of BKS, an owner managed group of companies based in Jersey, Channel Islands providing a range of professional, financial and administrative services to local and international clients.

BKS are regulated by Jersey's Financial Services Commission and licensed to provide trustee and corporate services. BKS operates (including the provision of directors) asset holding and trading companies in a number of jurisdictions including Bermuda, BVI, Cyprus, Guernsey, Hong Kong, Isle of Man, Jersey, Luxembourg and Switzerland.

At BKS we prefer to work directly with our clients to develop and maintain a trusted business relationship.

Experience

BKS has extensive experience of working on large corporate structures used for inward investment both in and outside of the UK. BKS are familiar with different types of property holding structures for commercial, residential and development sites. BKS is also familiar with reporting requirements for funds and stock exchange listed business, which are audited.

Our collective skills acquired over many years and spanning many jurisdictions give us the breadth and depth of knowledge, expertise and understanding that is necessary to administer multi-jurisdictional and/or complex structures.

Our extensive knowledge and experience enables us to provide a high standard of responsive, professional services to corporate clients.

Fees

We feel it is important for both parties that the parameters of our engagement are agreed in advance, as our pricing preference is to work to pre-agreed fees, providing our clients with the fee certainty that they deserve.
